MEMORANDUM FOR: Intelligence Information Staff,
Requirements Branch, ORR
ATTENTION: [REDACTED] 25X1A9a
THROUGH: Chief, Industrial Division, ORR *P.S.G.*
FROM: Chief, Medium Machinery Branch, D/I
SUBJECT: Requirements for Yugoslav Industry

Involved

1. Information desired on Yugoslav Industry is covered by the following requirements.

- a. Give an evaluation of the metalworking machinery industry.
- b. Of special interest would be information on amount and types of metalworking machinery imported from the Soviet Bloc. Is much Soviet Bloc equipment presently in operation? What is the country of manufacture? What is the Yugoslav evaluation of machine tools produced by the Satellites and the USSR?
- c. It would be desirable to learn to what extent the Yugoslav metalworking machinery industry has depended on Soviet Bloc technical aid, blue prints, etc.
- d. In addition, any information on CEMA-Yugoslav activities would be desirable.
